First Showing: A Dole Pineapple Bud from Hawaii

Perhaps you have never seen a pineapple bud—and so much as a hint of its glowing center of color which on the Dole pineapple groves and ripens into a fortunate big pineapple. Perhaps you have never tasted Dole Pineapple Juice and there is an easier way to discover the tangy, nutty goodness of this pure juice...just mix it for breakfast...after shopping on vacation...with the children when they come from school...whatever puts a smile on your family’s faces.

Dole Pineapple Juice from Hawaii, U.S.A.
