Two-Piece Suit in Three Fabrics

The classic man-tailored suit of the year—carefully designed, cleverly styled so it's becoming to all, with the masterly touches for which Sears suits have been long famous! Lots of fashion news about it this year...we've adapted some of England's brightest ideas to this crisp young link-button jacket. Its slant, figure-modeling lines are done with smart tucks at the waist giving it the newest English drape. A smooth, fit makes it slip in smoothly, and kick pleats on each side flare with every step.
