The Middy Blouse has come into its own! There never was a more practical or more attractive costume for the schoolgirl or co-ed: for sport or for year around utility wear.

The celebrated "Admiral" line of middies has been developed by us under most rigid specifications. You will find them better made, of finer materials; you will find that they fit better and are lower priced than middies you can purchase elsewhere.

The "Admiral" label on your midway assures you of:

The highest grade of jean cloth, all wool flannel or middy serge obtainable.
The famous non-rip placket cuff.
Double thread stitching throughout.
Finest quality embroidered navy emblems, and painstaking care in construction of every garment.
"Depend on Admiral."
