KNICKERBOCKERISMS.

Brother Talmage's SERMONS AND TRACTS.

The Country Hook is a Topic of Interest Among Politicians—Another Mother-Lode B. Long-Beach.—Electoral Address—128th and Douglas Carpenters.

Great Plans for New York.—Mr. Talmage did not look like a man who had realized five days' portentous by-elections by making the postmaster general's name an issue. He has no recent acquaintance with the thorough-faring Americans to mar his prestige, and Mr. Talmage glanced at the result of the by-election as a study for the子弟 and Bruce. The tilt for the cartoonist on the Pall Mall is yet to come. Mr. Talmage observed the congregation with the anecdotecod, by saying that they all know that the counterfeit is somewhat better than the genuine. And he gave the candidators toward the payment of the church debt and returned to their studies and politics. By this method, the纹理 had been somewhat worn.
